

As an employer, wouldn't you love to be able to **provide lunch** for your employees but **not have to pay for the service?**

With **The Portable Bistro** from Dror Catering, we provide the food; you take all the credit!

There is **NO COST** to your company, and there are **NO CONTRACTS** for you to sign. That's right: zero obligation on your part in order to provide a healthy, delicious, hot lunch to your employees.

Well, there is one catch: You must provide a small space for Dror Catering to set up and serve lunch. See? Wasn't that painless?

Okay, so how does **The Portable Bistro** work?

- You point us to that space you've reserved. **The Portable Bistro** operates from around 11:45 AM to 12:45 PM (times may vary according to your specific needs).
- Meals are served on a **plate** or in a **lunch box**.
- Our hot, delicious meals are rich and satisfying, energizing your employees for the rest of the day!
- Three meal options daily, **starting at just \$5.95**.
- Cash and checks accepted for payment.
- Our menu is inspired by a variety of cultures. We'll soon be adding sandwiches, fruit salads, and desserts!

**TRY IT OUT – YOU
HAVE NOTHING
TO LOSE!**

"I am so happy that we can offer our employees the quality and variety of food that you lovingly prepare and deliver for our company lunches."
