

Why Choose **THE PORTABLE BISTRO?**

YOUR EMPLOYEES benefit because:

- Delicious, hot, healthy food is just steps away
- Reasonably priced lunches start at just \$5.95
- No leaving the office and driving to a restaurant or fast food joint
- When the elements are bad, our delicious food is still there!

YOUR BUSINESS benefits because:

- You are providing your employees with a value-added service/employee benefit
- There is absolutely no cost to you
- No contracts to sign
- Increased productivity from employees since they do not have to leave the premises or wait for restaurant service
- Healthy food options mean healthier, happier employees!

For as little as \$9 per person, **DROR CATERING** also caters business meetings, luncheons, picnics, and company celebrations.

For events from 10 – 1,000 people, we bring the food straight to your location. We can handle the set-up or you can take care of it yourself.
